Presidents Message

Snow, ice and forty mile an hour winds! Don't you just love an Iowa winter? It is a good thing there isn't anything more pressing to do outside other than chores. The rest can wait for spring. I don't have a whole lot to report this time other than the show committee is working hard to put the finishing touches on our 2010 show. This show is shaping up to be a really big event.

If you look at the web site you will see the stallion auction is up and under way. We have another awesome line up for this year. Please check them out. What a great opportunity to help the club and add some new blood to your herd. Let's get the bidding started! Stay safe and warm and we will see you in the spring.

Dale
